

Dear friends and fellow Republicans,

I am excited to inform you that Dr. Hickle and I are hosting Governor Abbott at the Hickle's home next Thursday. It is important that we have a strong presence of support when our statewide elected officials visit our region. This is a great opportunity to remind the Governor that West Texas is invaluable to our state, that our region is the bastion of conservative values, and that the Republican Party in Lubbock and surrounding counties is engaged and behind him.

To that end, we would like you to be our special guests at this event. While this is a fundraiser, you are not obligated nor do we expect you to write a check. Please join us in providing Greg Abbott with a warm West Texas welcome after his first Session as our Governor.

Please see below for more details and kindly RSVP so we can manage the food and beverages accordingly.

We hope to see you there!

BUSINESS ATTIRE*

Dear friends in West Texas,

Communities such as ours are the backbone of this strong state. The future of our great state depends on communities and Texans like us — Texans committed to conservative values, free market principles and measures that keep the Lone Star State the best place to live, work and raise a family.

As Governor, Greg Abbott has served with distinction and has been a tireless advocate on our behalf. He's led the way in fighting for those very values, but *your* leadership is what we need to make sure he has the support to continue building the promise of a better future for all

Texas

TEXANS.

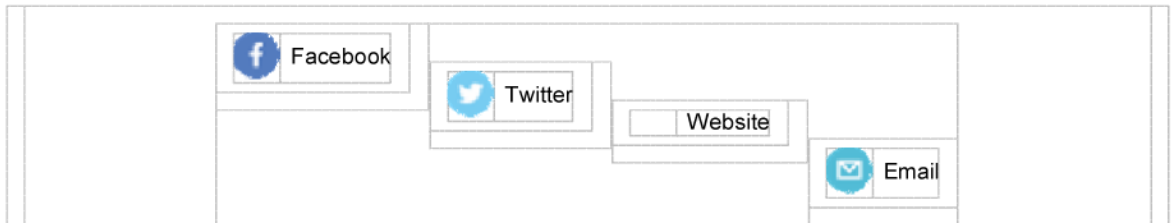

It's been almost a year since Governor Abbott was elected, and during that time he has made good on his campaign promises to implement bold reforms that secure our border, elevate Texas' education system and devote more money to road construction. This was all achieved while also delivering the largest tax cut for Texans in nearly a decade.

By all accounts, Governor Abbott's inaugural legislative session was an overwhelming success. Imagine what the future can hold for our great state with his continued stewardship and your continued support.

Governor Abbott, a longtime friend of Lubbock, is fighting for the future of every Texan, and we at Grace Clinic hope you will join us in supporting his ongoing effort to keep Texas the best state in the nation. As a principled leader with conservative values, Governor Abbott understands that public servants must preserve the trust of the people with commitment, perseverance and integrity.

Working with Governor Abbott, we can — *and will* — ensure that even the future is bigger in Texas. Please join us in supporting his efforts to keep Texas the best state in the nation.

Sincerely,
Randy Hickle, M.D.
