What We Do

Our DPC memberships provide members with **affordable access to board-certified** family care physicians across the United States.

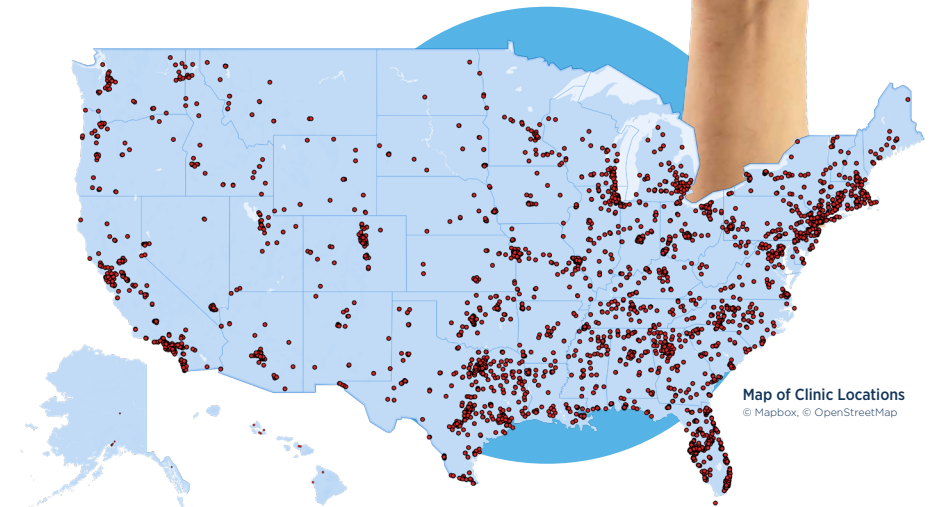

Providing Peace of Mind Through Our

Patient Advocacy Line (PAL)TM

Staffed with a team of bilingual medical professionals, our advocacy line guides members through options toward the most **affordable and convenient choice**. They even schedule appointments!

Continuity of Care

We maintain a HIPAA compliant Electronic Health Records (EHR) database that ensures the physician you visit has your most recent medical history.

Private Physician NetworkTM

We have clinics in all 50 states to ensure you have convenient access to physicians no matter where you are. Our physicians detect and treat 13 of the most prevalent chronic conditions.
